Kiwanis eliminating maternal/neonatal tetanus

*East High
100 Years of Tradition*

Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of nearly 60,000 innocent babies and a significant number of women each year. The effects of the disease are excruciating — tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch.

To eliminate MNT from the Earth, more than 100 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. It will take US\$110 million — and the dedicated work of UNICEF and every member of the Kiwanis family.

Kiwanis and UNICEF joined forces to tackle iodine deficiency disorders, achieving one of the most significant public health successes of the 20th century. Now, they are eliminating MNT from the face of the Earth. And in doing so, the project will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families.

Hope Of America Awards

About 50 years ago, the Bonneville Kiwanis Club of Salt Lake City, believing that the strength of our nation was directly related to the strength of our schools and our students, started an awards program for sixth (6th) graders.

This award is called the HOPE OF AMERICA. This award was created to honor outstanding students who demonstrated during the school year, leadership, good character, scholarship and a willingness to serve others.

The Kiwanis motto is "We Build." Our clubs honors those each year in our participating schools who are willing to "Build" a better tomorrow.

Freedom Leadership Award

About 50 years ago, the Bonneville Kiwanis Club of Salt Lake City, believing that the strength of our nation was directly related to the strength of our schools and our students, started an awards program for ninth (9th) graders.

This award is called the Freedom Leadership. This award was created to honor outstanding students who demonstrated during the school year, leadership, good character, scholarship and a willingness to serve others.

The Kiwanis motto is "We Build." Our clubs honors those each year in our participating who are willing to "Build" a better tomorrow.
